## **We have only 30 More Weeks to Dump the Dump!**

**By the end of July 2015 we will know the Minister Glenn Murray's decision.**

The FINAL Environmental Assessment (EA) documents are now available online at <http://www.crrrc.ca/whatsnew.htm>

**We are in the final four steps of the environmental approval process as follows:**

1. 7-week public review period (2 Jan – 20 Feb 2015) where all interested parties can provide comments on the FINAL EA documents to the Ontario Ministry of the Environment and Climate Change (MOECC);
2. 5-week period for MOECC staff to prepare and publish a review of the FINAL EA documents, called the "*Ministry Review*";
3. 5-week period for all interested parties to provide comments to the MOECC on the *Ministry Review*;
4. Following receipt of the *Ministry Review*, the Minister of the Environment and Climate Change has up to 13-weeks to make a decision about the EA.

The Minister has 3 options:

- a) Refer it to mediation;
- b) Refer it to the Environmental Review Tribunal for a hearing;
- c) Make a decision to approve, approve with conditions or refuse the EA.

All comments are to be sent to:
