CESA-EO – More than being against landfills

We are looking for ways to promote and assist at the community level:

- ❖ Reducing, reusing, recycling materials that would normally be considered waste, (support Hazardous Waste drop off, Curbside Exchange, Scouts e-waste)
- ❖ Refusing to accept unnecessary packaging, (leave packaging at the store)
- ❖ Planting more trees to increase our tree cover. (support Trees for Tomorrow)

We are an environmental association!
